### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:
2. The prior arts teach the memory structure having at least one reference cell and a reference voltage generation circuit in which there exists a first reference sense circuits or amplifier connected to such reference cell. However, the prior arts fail to teach or fairly suggest that there are a plurality of such first reference circuits and there are a plurality of second sense circuits each for receiving an output from a corresponding one of the plurality of first sense circuits, the plurality of second sense circuits each having a load circuit, an N-channel transistor, a plurality of input ends and a plurality of output ends.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
